Hi Nicole,

Thanks for the email. It would be great if we could talk next week. I have meetings next week, but can easily step out if we set up a time. Please let me know what would work on your end.  
Thanks again, Tracey

Hi Tracey, I received your message earlier this week – my apologies for not getting a chance to return your phone call. I was out of the office much of last week, and I will be out this week as well. I will give you a call next week when I return! Thank you. Nicole
